Second Patra Nirbhaya Karya Pratama Award for SAKA

A subsidiary of Saka Energi Indonesia, Saka Indonesia Pangkah Limited received the 2nd Patra Nirbhaya Karya Pratama Award from the Ministry of Energy and Mineral Resources due to the achievement of 4,802,152 Man-Hours Without Lost Workdays Due To Accidents in the period of 15 January 2014 until 31 March 2017 based on Minister of Mines and Energy's Regulations No. 516.K/38/M.PE/1989.

This award proves that all accidents are preventable with the right approach to each job and as long as SAKA has a strong commitment and leadership to maintain safety culture and awareness entire the team. It is an excellent result of the contribution, cooperation, commitment, support and proactive action towards every single activity. "Plan, Do, Check, and Act" is very powerful closed loop-cycle to control the work quality and performance.

This achievement is just a reward, but moreover, it is a part of the journey for SAKA to become the safest company to work.

PT Saka Energi Indonesia (SAKA) is a national oil and gas company that is well positioned to be a preferred partner to develop the Indonesia's oil and gas industry both nationally and internationally. SAKA was established on June 27, 2011 as a subsidiary of PT Perusahaan Gas Negara (Persero) Tbk (PGN), Indonesia's largest natural gas transportation and distribution company, which is listed on the Indonesia Stock Exchange (IDX).
